INTRODUCTION

Welcome to Vista Christian School. During this important time in your child's life, we are privileged to partner with you. As you read this handbook, please take time to talk with your child about the policies and values we feel are important for the success of your student and our school. Our desire is to clearly communicate these values and goals so your student's life is challenged and stimulated, while filled with accomplishments and memories that have lifelong significance.

We require both you and your child sign the handbook contract. If the handbook is lost, a copy can be printed from our website: www.vistachristianschool.org.

Vista Assembly of God wishes to extend an invitation to your family to visit if you don't have a church home. Schedules of church services are available through the school or church office. As partners of our school ministry, you are welcome to participate in church activities and avail yourself of pastoral counseling or other services offered. We warmly welcome you and count it a privilege to have you as part of our church family.

*The school reserves the right to change any policy, at the sole discretion of the school, when deemed necessary and in the school's best interest.

School Mission and Philosophy of Christian Education

The goal of Vista Christian School is to nurture the healthy growth of the whole child (spiritually, emotionally, mentally, and physically) in an open atmosphere of love and acceptance. "Therefore be imitators of God, as beloved children. And walk in love, as Christ loved us and gave Himself up for us." Ephesians 5:1-2

Mission Statement: The mission of Vista Christian School is to glorify God by mentoring life-long Christian character and service to others, while pursuing excellence in academics.

Philosophy of Christian Education: The educational philosophy of Vista Christian School is based on a God-centered view that all truth is God's truth, and that the Bible is the inspired and the only infallible authoritative Word of God which contains this truth. God created all things in six days and sustains all things. Therefore, the universe and man are dynamically related to God and have the purpose of glorifying Him. Because man is a sinner by nature and choice, he cannot, however, glorify or know God. He can do this only by choosing God's free gift of salvation through His Son, Jesus Christ, thereby committing his life to the Lordship of Jesus Christ.

Vista Christian School will provide the student as well as the parent with the necessary awareness of God and responses to His Word, so that when the Holy Spirit brings conviction of sin, he will readily and with understanding accept Christ as His Savior. Christian education can then carry out its purpose.

This philosophy also channels our energies to promote high academic standards while helping the students to achieve skills in creative and critical thinking using the best-integrated curriculum available. The objective of our instructional program is to enable the student to be equipped for success in high school and later pursue the post-secondary education of his choosing, whether in college, university, or in vocational training areas.

Each student upon understanding God's love for him, and receiving Christ as their personal Lord and Savior, is further nurtured and built up by the knowledge of God's great grace, His destiny, details, and purpose for their lives as they discover their value in Him.

Our aim socially is to provide a Christian perspective on the total worldview from which will come a balanced personality and a proper understanding and acceptance of a person's role in life at home, at work, at play and at worship - all grounded in the Christian concept of love.

Vista Christian School permits the parents to carry out their responsibility to God for the education of their children. This is the prerogative, not of the state, but of the parents. Therefore, Vista Christian School assists the family in this responsibility and requires support from the home.

Our responsibility for the student encompasses the spiritual, mental, intellectual, physical, social, and emotional areas. These are inseparable and through them run the insistent thread of the spiritual. Therefore, our aim must be to shun the tendency to teach the Bible compartmentally or on the intellectual level alone - the scarlet thread must be woven throughout the total curriculum.

Thus, the types of activities we employ or permit in the classroom or school program will facilitate our basic philosophy. The spiritual must permeate all areas - else we become textbook oriented rather than student-oriented.

Carried out, this philosophy dictates we cooperate closely with parents in every phase of the student's development, always offering assistance in understanding the purposes of Vista Christian School. This cooperation enables us to better accomplish our goals for our students. It is our philosophy that also makes us uniquely different and preserves our Christian distinctiveness.

Through your payment of tuition, we are agreeing with you to provide a Christian education in a Christian environment based on our Christian philosophy. This payment does not encompass special requests to meet the desires or needs of your individual student which may not address the entire school body.

Vista Christian School is a ministry of Vista Assembly of God Church and as such, Vista Assembly is the governing authority of the school. The church's mission, vision, vibe, and core statements outline the values that define the school as an educational ministry and embody our student-learner outcomes. As the governing authority, Vista Assembly constrains its actions to policymaking and strategic planning while authorizing the school administration to implement its decisions. The school's administration reports to the Senior Associate Pastor, who directly reports to the Senior Pastor and/or church board.

Statement of Faith

We believe -- the Bible to be inspired; the only infallible, authoritative Word of God.

We believe --there is one God, eternally existent in three persons; the Father, the Son, the Holy Spirit.

We believe -- in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His resurrection from the dead, in His ascension to the right hand of the Father, and in His personal return in power and glory.

We believe -- in the absolute necessity of regeneration by the Holy Spirit for salvation because of the exceeding sinfulness of human nature; and that men are justified on the single ground of faith in the shed blood of Christ and that only by God's grace through faith we are saved.

We believe -- in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.

We believe -- in the spiritual unity of believers in Christ.

Parental Responsibilities

It is the responsibility of the parents to educate their child both by instruction and example, according to biblical standards.

- **Provide spiritual guidance through regular church attendance, prayer, and Bible reading at home** (*"Train up a child in the way he should go, and when he is old he will not depart from it."* Proverbs 22: 6)
- **Pray faithfully for your child, the teachers, and Vista Christian School** (*"Confess your trespasses to one another, and pray for one another, that you may be healed. The effective fervent prayer of a righteous man avails much."* James 5:16)
- **Support the school discipline plan** (*"...do not despise the Lord 's discipline and do not resent His rebuke, because the Lord disciplines those He loves, as a father the son He delights in."* Proverbs 3:11)
- **Faithfully support teachers, administrators and school policies** (*"Now I plead with you, brethren, by the name of our Lord Jesus Christ, that you all speak the same thing and that there be no divisions among you, but that you be perfectly joined together in the same mind and in the same judgment."* I Corinthians 1:10)
- **Handle any concerns quietly and only with the person involved** (*"If your brother sins against you go to him privately and confront him with his fault. If he listens and confesses it, you have won back a brother. But if not, then take one or two others with you and go back again, proving everything you say by these witnesses."* Matthew 18:15-16) If you have a concern, please address it privately only with the other person involved. If the issue is not resolved, then bring one or two other people with you to meet with that person again. Should the issue still not be resolved, please make an appointment with the Principal to discuss the matter. Should your issue be with the Principal and you are unable to resolve it, then please make an appointment to meet with the Senior Associate Pastor.
- **Attend two required parent meetings and all parent conferences** (Parent Open House in the Fall and in the Spring)
- **Enforce the school dress code giving particular attention to neatness, safety, cleanliness, and modesty** (*"Everything is permissible, but not everything is beneficial. Everything is permissible, but not everything is constructive. Nobody should seek his own good but the good of others."* I Corinthians 10: 23-24)
- **Make sure your child attends school daily and on time (and having had a nutritious breakfast).** (*"The sluggard craves and gets nothing, but the desires of the diligent are fully satisfied."* Proverbs 13: 4)

Parents agree that if at any time, parents/guardians act in a manner that demonstrates a lack of support for the school or its religious educating philosophy, or otherwise reflects a lack of cooperation and commitment to the home and school working together, VCS has the right, in its sole discretion, to remove any student or to discontinue further enrollment of any student. Parents/guardians acknowledge and agree that their conduct can jeopardize the enrollment status and/or continued enrollment of their child.

POLICIES AND PROCEDURES

Absences / Tardies

A school absence is defined as any time a student is not present in the classroom for a minimum of one-half of any scheduled school day. Any arrival after 11:00 am will be considered an absence for the day. Children who return without a note or a call to the school office will have their absence recorded as "unexcused".

California law requires students to be in regular attendance at school. It is the position of VCS that no student can be absent from his/her studies without running the risk of impeding academic progress. We understand absences for reasons of illness or family emergencies are unavoidable, but even if absences are excused, they can still take a toll on your child's progress. The following procedures apply:

1. Parents are to call the school office by 9:00 am if their child will be absent.
2. Children returning to school after an absence must submit a note to the school office if a phone call has not been made. Without a note or call, the absence will be

marked unexcused.

3. A child should NEVER be sent to school if he or she has a fever of 100 degrees or higher. The fever should be clear for a period of **24 hours** before returning to school. A child who is **obviously ill** should remain at home for the protection of the other children in the school. Please make appropriate arrangements in this event. Students who have conjunctivitis will be required to be on medication at least 24 hours before returning to school as it is highly contagious.
 - a. **The school must be notified immediately if a student tests positive for COVID-19. Current County of San Diego school guidelines will be followed for isolation and return-to-school timelines.**
4. Occasionally, some contagious illnesses and outbreaks, such as lice, happen. As per state law and to aid in the control of the outbreak, notice will be given to the affected class(es) and precautions may be done to reduce further outbreaks. One type of precaution may be checking for head lice weekly after an outbreak. Unless further outbreaks are noticed, only the original notice will be sent home.
5. Students leaving before 12 noon, and out for the remainder of the school day, will be marked as absent.
6. Requests for make-up work and homework can usually be honored if the request is in the school office by 9:00am for pick up after school at 3:00pm. Students have one day for each excused absence school day missed to make up work.
7. Parents and students are asked to carefully review the school's vacation schedule and to make travel plans well in advance to avoid missing any school days. When it is necessary for a student to miss school, parents are expected to contact the Administration and teachers (in writing) **at least two weeks in advance** to make appropriate academic arrangements. It is the recommendation of the school that students do not miss school for personal vacations. However, if it is absolutely necessary for a student to be absent for a personal (family) vacation, at the teacher's discretion, the student MAY be allowed the opportunity to make up work. All tests, quizzes, and final exams must be taken prior to leaving or on the day the student returns to school, and should be arranged either through the teacher or the Administration. Students who leave to get an early start on vacation may not be allowed to make up missed work and must take quizzes and tests before leaving. All assignments or assessments not turned in as instructed will be automatically counted as zeroes. Teachers of sibling students will consult with one another to be consistent in making up work and testing.

Missed work will be graded as incomplete and turned into a zero if not made up within this framework. Please make every attempt to complete the missing work quickly. Note: Absences for specialty classes (music, computer, physical education, etc.) have individual attendance requirements based on the nature of each program. Information is sent home by these teachers at the beginning of each school year. Absences beyond what is allotted may affect your child's grade.

Early Student Pick-up

In cases where there is an afternoon doctor or dentist appointment, we understand it may be necessary for you to pick up your child prior to the close of the school day. However, repeated requests to sign your child out early for other reasons may affect one or more of your child's grades. Before opting to pick up your child early, please consider the following:

1. Is it really essential to take my child out early?
2. What subject(s) will my child be missing?
3. Will my child miss valuable teaching time or a scheduled test?
4. Have I made arrangements to take tests, quizzes or make up other work?

It is the responsibility of the student to obtain and make up any worked missed from early pick-ups. For the above reasons, please refrain from picking up early unless absolutely necessary. If it is essential to pick up your child before the day's end, we encourage you to call the office before coming. We will make every effort to have your child packed-up and ready to go when you arrive. All children MUST be signed out by a parent, legal guardian, or another adult whose name is on file in the office. Verbal authorization from a parent may be accepted by office personnel if deemed necessary.

Excused/Unexcused Absences

An absence from school is considered excused in accordance with the California Education Code 48205 for the following reasons: sickness, death in the family, or participation in a pre-approved off-campus activity such as drama productions, or "Take Your Child to Work Day". Although excused, these absences are included on your child's overall attendance records and affect their yearly status. A physician's note may be required to verify an absence due to illness.

Absences for other reasons (including vacation, personal days, etc.) are counted as unexcused. Note: In accordance with the California Education Code 48260, students with 3 or more unexcused absences may be reported to the local Student Attendance Review Board (SARB) with the Vista School District.

Excessive Absences

For absences of more than three consecutive days, a doctor's note is requested. Twenty (20) or more absences, excused or unexcused, during the course of the school year is considered excessive. Absences exceeding this limit may result in the student being placed on probation, considered for retention and/or dismissed from the school. A parent conference will be held with the administration to attempt to correct the situation.

Tardiness

Promptness and responsibility are two important values. Our class hours (K-5th/8:20-3:00; 6th-8th/8:15-3:05) and schedules are designed to maximize the learning experience and aid in the success of the students. An elementary student is considered tardy after 8:25am. Middle school students will be considered tardy after 8:20am and 2 minutes after each class start time. Extended Care will issue tardy slips at the gate until 8:30am. After 8:30am, students must come to the school office for a blue tardy slip. Please make arrangements to have your child here in a timely fashion.

A tardy student:

1. Disrupts the class.
2. Misses valuable academic time.
3. Develops poor habits.
4. Must report to the school office for an "Admit to Class" slip if they are later than 8:30 am.

If a child is tardy or absent (unexcused) during a test, quiz, important assessment, or other assigned classwork, the child will not be allowed to make up the missed assignment or assessment and will receive a zero. Only upon approval from the administration will the child be allowed to make up the assessment.

Excessive Tardiness

"The sluggard craves and gets nothing, but the desires of the diligent are fully satisfied." Proverbs 13:4 (NIV)

Each student is allowed four (4) tardies per quarter (16 per year) for unforeseen reasons (e.g., traffic, road conditions, oversleeping, etc.), and though accepted, they are considered unexcused. More than four (4) unexcused tardies in a quarter is considered excessive. For records purposes, once a child has received the fifth (5) tardy, it will constitute an unexcused absence. Corrective measures include:

4th tardy- Parents will receive a warning of impending unexcused absence.
5th tardy- Parents are notified of unexcused absence due to excessive tardies.

Excused Tardies

The parent is responsible for planning accordingly and making every effort to have their child(ren) at school and on time. The California Education Code #48260 defines an excused tardy ONLY in cases where the school office has been notified in advance of an early morning doctor/dentist appointment, a memorial/funeral service, or extenuating circumstances as pre-approved by the administration. Tardies resulting from traffic delays, oversleeping, etc. are unexcused.

Truancy

A student is considered truant if he or she is absent without a valid excuse for three or more days within a given school year. They are also deemed truant if they are tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year.

Students arriving at school after 9:30 am without an excused tardy may not be admitted to classes or the Extended Care Program for the remainder of the day.

Repeated truancies may be reported to the local Student Attendance Review Board in compliance with the California Education Code 48260 and/or the local authorities.

Academic Integrity

Academic integrity is essential, both in and out of the classroom. Academic dishonesty, such as cheating or plagiarism, using someone else's words or materials without giving them credit, is academic dishonesty is a major infraction of the school's rules. Cheating may be copying someone else's answers on a test or assignment, including homework, or being dishonest about where you acquired the information. Such actions may result in dismissal from the school or other disciplinary action at the Administration or teacher's discretion, with the minimum result being zero credit for the assignment. Students must abide by U.S. copyright law.

Affection

Demonstrations of outward physical affection between boys and girls are not permitted on campus or any school-sponsored event. This includes holding hands, kissing, and note-passing. Inappropriate affection often can and does happen as early as kindergarten, but can easily escalate to an unhealthy level around 4th-8th grade. For this reason, parents are expected to discourage their children from developing any relationships contrary to this policy. Violators may be referred to the administration.

After-school Pick-up

For your convenience, you will be allowed to drive through the parking lot on most days to pick up your child. For the children's safety, please drive slowly, **obey the traffic director, and do not talk on your cell phone.** After picking up your child at the drive-through, and if there are cars ahead of you, you can put your left blinker on, and the Extended Care Staff will let you out at their earliest convenience. If you park your car, please park on the east side of the parking lot and be sure to use the crosswalk. Half days, rainy days, and special event days will require you to park and pick up your child at a designated area, usually the patio, playground, or sanctuary.

Art/Music

Extra art and music instruction may be offered based on the availability of the instructor and the discretion of the administrator.

Books/ Materials and Facilities

A book fee is assessed for each student at VCS. The cost includes the full cost of consumable books and materials, reproducible costs, costs for certain activities in the classroom, and a rental fee for the use of the hardbound permanent texts, readers, and permanent curriculum for the class. A class supply list is given to parents to furnish items not included in this fee. Loss of any book is the responsibility of the parent and the full cost of the book will be assessed, including any pertinent sales tax and shipping fees. Damage to any permanent curricula is also the responsibility of the parent. Replacement items will be charged to the family account.

Materials and Facilities also refer to PE and playground equipment costs. The materials and facilities at VISTA CHRISTIAN SCHOOL are dedicated to God and His service. Basically, each individual is responsible for any items issued. The student's family must pay for any misuse of the school building, equipment, or materials.

Cell Phones and Electronic Devices

NO cell phones or electronic devices will be permitted on campus unless prior approval has been received from the administration. If a student thinks they need to contact a parent, they must come to the school office for permission; and a staff person will make the call. If a student needs the use of a cell phone or electronic device for an after-school, off-campus activity, their phone/electronic device must be checked in at the school office first thing in the morning; and then, the phone/electronic device may be picked up after school. During a sporting event, cell phones will be turned over to the coach and returned to the student at the conclusion of the event. Cell phones/electronic devices may not be stored in backpacks, lockers, jackets, or pockets during the school day or during any school event, on or off campus. Any cell phones/electronic devices seen or heard on campus, or during a school-related event, will be confiscated. Cell phones/electronic devices are not approved devices for photography usage during any school-related event unless prior authorization, for that event, has been received from both the teacher and the administration.

Policy Violation Consequences:

1st Offense: The cell phone/electronic device will be confiscated by the staff and turned into the office. The parent or guardian will be allowed to pick up the item(s) **after 3:15 P.M. on the following day**. If the violation falls on a day before any break, including weekends and/or holidays, the cell phone/electronic device may be picked up on the first day on which school resumes.

2nd Offense: The cell phone/electronic device will be confiscated by the staff and turned into the office. **A parent or guardian will be notified, the cell phone/electronic device will be held until after 3:15 P.M. on the following day, at which time the parent or guardian will be allowed to pick up the item(s), and the student will serve three (3) days of lunch detention.**

3rd Offense: The cell phone/electronic device will be confiscated by the staff and turned into the office. **A parent or guardian will be required to meet with the teacher, administration, and/or pastoral staff; and the cell phone/electronic device will be held for a duration of two (2) weeks, the student will receive a one-day in-house suspension resulting in zero credit for all assignments and/or assessments for that day. The parent or guardian may pick up the item(s) after 3:15 P.M. at the conclusion of the two (2) week hold.**

4th Offense: The cell phone/electronic device will be confiscated by the staff and turned into the office. **The parent or guardian will be required to meet with the teacher, administration, and/or pastoral staff; the cell phone/electronic device will be held for the duration of the semester and a parent or guardian may pick up the item(s) at the conclusion of school on the last day of instruction for that semester; and the student**

will receive a one-day at-home suspension.

Any further violation of the cell phone and electronic devices policy may result in immediate suspension and possible expulsion from Vista Christian School. Parents will be required to meet with the administration and pastoral staff prior to the student returning to school.

Communicable Diseases

Students admitted to VCS shall be protected from influences negatively affecting their well-being and educational progress. Therefore, VCS will exclude students from class who are currently infected with or are perceived to be infected with live (active) viruses from illnesses of a communicable nature. Parents (or other designated adults) must respond immediately to a call to pick up their sick child from school.

Due to COVID-19, any child with COVID-19 symptoms (e.g. fever, cough, loss of taste or smell, difficulty breathing) must be free of symptoms for 3 days before returning to school if they test negative for COVID-19. If a child tests positive for COVID-19, they must notify the school immediately so we may notify those the child has been in contact with, who will need to quarantine for 10 days.

Computer Use Policy and Restrictions (See social media policy)

The computer policy established by the Board of Vista Assembly of God covers all school use of computers and networks. It is a comprehensive policy that restricts the use of the VCS/VAG computer network and equipment to only those purposes that are God-honoring and specifically related to church and school business. A yearly technology fee is assessed to provide technological hardware/software/repairs needed to maintain our computer lab and devices in the classrooms.

VCS strives to provide a healthy balance in computer security. Google Safe Search Kids is the filtering software on all student computers (lab and classroom) and is known to be a good step towards a safer online environment on a broader level such as a school setting. Classroom Chromebooks have an internal dedicated security system, as well as the administrative ability to manage policies, settings, safe browsing, and blocking of malicious sites from the web.

Students may not:

- Use the VCS network to access the internet except when supervised by a teacher or when doing research for a class (also under supervision)
- Use any form of social networking (Instagram, Tiki Tok, Facebook), unless directed and supervised by a teacher
- Use the VCS network to send or receive email or other messages, unless supervised by a teacher
- Load or install to a VCS computer any files or software from any source unless specifically authorized by the VCS Computer Administrator
- Have any computer in BIOS mode
- Modify any setting on a VCS computer
- Use a VCS computer to play music, games, videos or other forms of entertainment unless specifically directed to do so by a teacher
- Use the VCS network or computer equipment except under the direct supervision of a teacher
- Use the VCS computer network or computer equipment for any purposes not directly related to their education and specifically authorized by a teacher
- Use passwords to protect files
- Eat or drink (including water) at the computer stations

Students failing to comply with the policies and restrictions are subject to

disciplinary action. Criminal penalties may apply to destruction of equipment, data, or any virus that may be introduced by the student (intentional or unintentional). Should criminal penalties apply to any violation, the matter will be directed to the San Diego County Sheriff's Dept., and formal disciplinary methods will apply to the student. Each student will be required to sign and complete an additional contract before use of the computers is allowed.

Cumulative Student Files

Parents of currently enrolled or former students have the right to see any and all student records related to their children which are maintained by private schools. The editing or withholding of such records is prohibited. Therefore, any parent or legal guardian should notify the office one day in advance, and the office will pull the cum file and have the parent sit down in the office to go through the cum. A staff member must be present when the file is viewed, and a log must be signed in order to view the file. The school administrator will be available to answer any questions.

Curriculum

Vista Christian School offers a variety of age-appropriate curricula, much of which is based on a Christian perspective of education. We feel it is important to integrate scriptural principles into each area of subject matter. This philosophy enhances the education process and maintains quality academics through a biblical foundation. Though we integrate our philosophy into the curriculum, some curriculum may be used that is secular in nature. The curriculum is reviewed each year and evaluated for relevancy and effectiveness. The curriculum may be changed periodically to improve programs.

Discipline

Classroom discipline requires two components: preventive and corrective.

Preventive Discipline: Each teacher will use a system of motivation on an individual and class level. This plan will consist of verbal praise, awards, privileges, or other methods. The purpose is to encourage and recognize proper behavior in all students.

One of the most important lessons for any student to learn is how to properly respond to authority. The students must be guided to a proper response to their parents, teachers, and to God. In order to accomplish this goal, we must set discipline standards that are enforced fairly, consistently, and lovingly.

Corrective Discipline: Since the school teacher works closely with the children during class time when parents are not present, he or she will need to handle situations when a child displays inappropriate behavior. The teacher recognizes his/her responsibilities of discipline are delegated by the parents. It is important for the teacher to work closely with parents in these matters, and the teacher will contact parents about any difficulties they may have in this area. It is of the utmost importance for parents to support the teacher in matters of discipline and equally important for the teacher to keep parents informed of any problem.

Our process of handling daily classroom discipline is as follows:

- Each teacher will use a system of rules and consequences. The individual teacher sets the first two or three consequences, depending on the grade level. These rules and consequences are posted in the class.
- Third or Fourth consequence (depending upon grade level): If a child's attitude still does not show signs of true repentance and inappropriate conduct continues, the child will be sent to the principal's office. A parent may be notified, and based on the

previous offenses and disruptiveness, the parent may be contacted to immediately come to the school and remove the student for the day. VCS staff will not administer corporal punishment.

Discipline is never a cut-and-dry, step-by-step procedure. It is important to remember you are dealing with different personalities and different needs. We reserve the right to assess each incident and treat them with the necessary methods. The above steps will help the teacher in most cases to effectively deal with the problems. Sometimes these steps will not work, and the child will need to be referred to the office immediately. Serious offenses such as fighting, cursing, vandalism, harm or threat of harm to staff or other students, chronic or blatant disrespect, or other malicious behavior will be sent immediately to the office for discipline. These offenses are deemed serious and are subject to review by our school safety team. The student may receive detention, suspension, Saturday school, or be removed from the school.

At VCS, the emphasis in discipline will always be on love in light of the biblical standards for right living before God and men. Our desire is that each child knows he or she is loved. However, love does not tolerate disobedience but gives guidance and has the development of Godly character as a priority. It is our desire to work together with VCS families to choose means that best produce these desired results.

Behavior Contract

In situations where a student's behavior indicates a pattern of ongoing challenges to school rules or policies, administrators may require the student to comply with the terms of a Behavior Contract as a condition for the student's continued enrollment. The contract may be required for up to one year. *For the safety and well-being of all students and staff members, threats of any nature will be taken very seriously and may require the involvement of law enforcement officials. While this entire handbook is designed to provide clarity for all involved, the Administration reserves the right to discipline every case based on its unique and specific nature. VCS also reserves the right to dismiss a student at any time who is out of harmony with the school's goals and mission.*

Academic Probation

Any student who falls below a 2.0 GPA, or who receives one F or two Ds (below 70%) in Math, Language Arts, History, or Science, for two (2) consecutive grading periods (including Progress Reports) is at risk of dismissal from the school. Participation in athletic programs or clubs may be limited and scholarship award status may be affected for students in this category. Such a student will be placed on Academic Probation. The student will be removed from Academic Probation if he/she improves his/her cumulative GPA above 2.0 and/or raises D or F grades to at least a C, and demonstrates outstanding cooperation and attitude through the end of the next quarter. Such a student has one semester to improve. A student on Academic Probation for any of 3 out of 4 sequential quarters warrants dismissal from the school. A student may be placed on Academic Probation in other circumstances of unsatisfactory academic performance. A meeting with the parents, administration, and/or pastoral staff will then determine the student's eligibility to remain at VCS.

Suspension

Grounds for suspension may result from repeated violations of general school rules or from repeated lack of response to discipline.

The California Education Code Section 48900 is very specific as to the offenses for which a student can be suspended or even expelled from school. Vista Christian School follows these guidelines.

- a) Caused or attempted to cause, or threatened to cause physical injury to another person or willfully used force or violence upon a person.
- b) Possessed, sold, or otherwise furnished any firearm, knife, explosive or other dangerous object

- unless the pupil has written permission from the administration to possess these objects.
- c) In possession of any controlled substance, intoxicant, or tobacco in any form for use, distribution, or sale.
 - d) Caused or attempted to cause damage to school property or private property.
 - e) Committed an obscene act or engaged in habitual profanity or vulgarity.
 - f) Disrupted school activities or willfully defied the valid authority of supervisors, teachers, or any other school personnel.
 - g) In possession of any imitation firearm.
 - h) Committed or attempted to commit a sexual assault and or battery upon another.

In addition, a pupil may be suspended from school or recommended for expulsion if the student participates in the following:

- a) Sexual harassment of another (including inappropriate language).
- b) Hate violence.
- c) Any or all bullying, cyberbullying, threats via text, or intentional harassment.

In accordance with California Education Code section 48900(r), "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that have or can be reasonably predicted to have the effect of one or more of the following:

1. Placing a reasonable pupil or pupils in fear of harm to that pupil or those pupils' person or property.
2. Causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health.
3. Causing a reasonable pupil to experience substantial interference with his or her academic performance.
4. Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

Any student who chooses to be involved in any of the above behaviors will be sent home pending further action by our school board.

Violations that result in suspension may cause the school to suspend the student until the incident is reviewed by the board, and the student is deemed able to return. In this case, the student shall remain suspended until reinstatement is cleared. (See Expulsions)

Extended suspensions beyond a singular school day may be given for a major violation of school regulations. The parents and suspended student must meet with the school administration prior to reinstatement. Most extended suspensions will be for a minimum of three days. The school board will review any extended suspension prior to reinstatement and may require additional supervision, counseling, other mitigation, and/or follow-up.

All missed class work and homework must be made up and ready to turn in at the time of reinstatement. **Although no credit is given for any work missed**, completion is necessary to avoid gaps in learning. Student will serve lunch detention until all work is completed.

Upon reinstatement after a suspension (except for tardiness), the student will be placed on probation for four weeks. During that time, the principal will evaluate the student's progress and end the probation if no further suspensions or behavior problems have occurred. Should additional suspension be given for any reason, the student may be removed from the school.

Expulsion

Expulsion may occur if repeated suspensions do not produce a change of student's behavior or attitude. After the second suspension (for any reason), a mandatory meeting will be made with the parents prior to reinstatement to the school. A review of the student's record will be done by the school board and the administration.

Expulsion is mandatory for the remainder of the school year for the following offenses, when occurring at any time, **on or off campus**: threats to other students (whether verbal, written, drawn, cyber, or any other method), involvement with drugs and/or alcohol, threat of harm to staff, sexual immorality, or possession of any weapon or fireworks.

Additionally, any outside use of email, computer communication, social media (see social media policy), or web use which is derogatory, defaming in nature, or threatening, or any other computer use which is hurtful to the school, staff, students, parents, ministry, or any person affiliated in any way with the school or church, will be cause for removal from the school.

Students who are expelled and desire to return the following school year must meet with and receive approval from the principal and the school board. Any student who seeks to return after an expulsion must submit their initial request in writing.

Dismissal from the School

The school reserves the right to dismiss or deny readmission to a student or family for reasons the administration deems fit. These may come under the following categories, including but not limited to:

- Attitude incompatibility (such as an uncooperative spirit, rebellion toward correction and discipline, chronic complaining, or sowing discord)
- Chronic unexcused absences or tardiness
- Nonconformity to standards of conduct or grooming
- Nonconformity to standards of homework, projects, and assignments
- Lack of parental cooperation. i.e., unexcused tardies, absences, speaking ill of the school or employees, or displaying any behavior(s) contradictory to what we teach or represent
- Inability or failure to respond to the VCS educational program

Emergency Issues and First Aid

The school office or extended care offers immediate first aid to all injuries and ministers to those who become ill during school hours. Parents will be called to pick up children too ill to complete the school day. A serious injury, puncture or intrusion of the body, or a head wound will require us to contact a parent immediately to allow you to assess the injury. In the event of an injury requiring immediate medical attention, we will contact you immediately. If you are not readily available, we will contact 911 and continue to try reaching you. An emergency release needs to be signed by the parent by the first day of school. It must be updated when your emergency information changes. In the event of an accident, you should bill your personal medical insurance first. Our insurance will pick up any additional cost not covered by your insurance.

Should Vista Unified Schools or San Diego County Schools be closed due to an emergency or evacuation, you can assume VCS will also be closed unless notified otherwise.

Enrollment/Registration Procedures

All children who are being considered for Kindergarten at VCS will be tested to determine readiness for placement in a class. A child must be five years of age by September 1.

First grade students are required by state law to have a physical examination within 18 months prior to the first day of admission to first grade. Please refer to the immunization requirements in the handbook for further information.

All student enrollments, both new and returning, are handled through the school office. Students are not considered enrolled until enrollment forms are completed, proof of immunization is accepted, registration and book fees are paid, and you have received an acceptance letter from the school registrar. (**Note:** Returning students are evaluated by the school administration as to their behavior and academic progress from the previous year prior to acceptance for ensuing years.)

Registration is on a “first come, first served basis” and all students must register each year. Returning families, please remember you have priority registration over new families for one month only. In order to register, all previous balances must be current. Any registration discount for re-enrollment is only applicable during the early enrollment period, and timely filing of paperwork is required with payment of fees to receive the discounted rates. Discounted registration for returning families will only be honored during the priority registration month.

VCS admits students of any race, color, national, or ethnic origin and makes available all rights, privileges, programs, and activities generally accorded or made available to students at the school. VCS does not discriminate on the basis of race, color, national, or ethnic origin in the administration of its educational policies, admissions, athletic, and other school-administered programs.

All prospective students will be evaluated/tested for academic readiness. An evaluation/testing appointment will be scheduled once you have registered your student. A review of the testing will be done prior to admission into school. Testing does not guarantee entrance into the school.

The tuition at VCS is based on a yearly fee. For your convenience, tuition is divided into ten monthly payments, without regard to vacation and holidays. Please refer to the financial information sheet for current tuition fees.

Tuition is due by the 1st of each month and payable in the school office. Extended Care fees follow the same payment schedule. Tuition payments are late after the ninth of the month. A late fee of \$30.00 is added to all late tuition payments, and 10% of the extended care fee will be assessed for late payment on extended care services.

If for any reason you are late with the tuition or extended care fees, you must contact the school office as soon as possible. This will allow you to resolve the matter so as not to jeopardize your child’s position in school.

If your account becomes past due for a second month, your child will be dismissed from attending class. Your child will not be readmitted until payment of unpaid tuition and/or extended care fees is made. A report card may be held in the office on overdue accounts until fees have been paid or acceptable payment arrangements are made. If you have an outstanding balance at the end of the school year, VCS reserves the right to deny reentrance into the school or withhold any report cards from you until the outstanding balance has been paid.

By March 1, all past-due accounts must be balanced to maintain priority registration for the following year and to release your child’s report card. If re-enrollment registration money is paid, it will be applied to any past-due accounts first. Re-enrollment will not be considered until your account is up to date. It will then be reviewed for consideration for the following year.

Extended Care (EC)

Hours

Extended Care is provided from 7 am – 6 pm. Before school care is charged from 7 am – 8 am. After-school care is charged from 3:15 pm – 6 pm for K – 8th.

Before and After School Care

All students dropped off at Vista Christian School before 8 am will automatically be checked into EC.

All students who are not picked up from school by 3:15 pm will automatically be checked into EC by their teacher. Billing starts at 3:15 pm.

When a student is picked up from EC, an authorized adult (18 or older) must sign them out in the EC sign-out book. If the checkout time is not written, you will be billed until closing time (6 pm). All unknown pick-up persons will require an ID check.

EC closes at 6 pm. If a child is picked up after 6 pm, there will be a charge of \$1.00 per minute late. Late fees charged after 6 pm are **due at the time of pick up**. Please call EC at **(760) 519-4468** if you anticipate arriving late. Notifying us of your late arrival does not waive any late fee charges. In the event that a child has not been picked up by closing time, and we have not been contacted by you, an authorized contact will be called to pick up your child.

If you are part of a carpool arrangement and your child is checked into EC, we cannot be responsible for you receiving a bill because they failed to pick up or sign your child out on time.

Extended Care contracts are available in the school office. Drop-in care (those not on a contract) is billed at a rate of \$10.00 per hour. Billing is charged on the quarter hour.

Half days and conferences: Billing for half days starts at 12:15 pm. Complimentary childcare will be provided for currently enrolled VCS students whose parents are in a parent/teacher conference. This is only provided for the 15 minutes of conference time. Additional conference times arranged not at the 1st and 3rd quarter parent/teacher conference schedule are not automatically complimentary. (EC contracts cover daycare on half days.)

If EC is offered on a non-school day, information about registration and fees will be sent home with your child in advance of the dates offered. Registration and fees for these days must be paid in advance of the first day.

The Snack Bar is open after school for students who wish to buy a snack. Students are welcome to eat their own snacks if they prefer. All snacks need to be eaten at the lunch tables during outside time.

Third – Eighth graders are usually provided 30 minutes to do homework assignments. Due to the need for one on one support for homework in the lower grades, K – second grade will need to complete any homework at home.

Field Trips

Field trips are an excellent way to make practical the theories of Math, English, Social Studies, and Science. For each field trip, **every child must wear their school t-shirt**. Parents will always be informed of field trips in advance of the trip date. If your child does not attend a field trip, he/she must remain at home and will have an unexcused absence on the scheduled field trip day. The cost for each field trip will be published in the permission slip, and the cost is the responsibility of the parent.

Parents are required to indicate they are willing to volunteer **prior to the date of the field** trip on the field trip permission form. Those who participate will be responsible to follow the guidelines for each trip and violations of the guidelines or lack of supervision will cause the parent to be barred from any and/or all additional trips. Guidelines include, but are not limited to the following: No stopping with assigned children at any unauthorized location for food, drinks, or any place not designated by the

teacher for the entire class; allowing purchases or purchasing items not authorized, or for any other rule infraction. If you volunteer to drive on a field trip, you must be willing to drive three (3) or more students. **No reimbursement for expenses** will be given to volunteer drivers. Please keep in mind that as a chaperone, your responsibility is to help supervise the students on the trip; therefore, no siblings are allowed to attend class field trips. A parent's full attention must be given to the students in their care. A chaperone for any field trip must be the parent or legal guardian of the student. On rare occasions, an adult that is well-known to the administration may act as a chaperone with prior approval from the principal. Chaperones will refrain from drinking alcoholic beverages, smoking, and gum chewing (except during air travel, if needed) for the duration of the trip. For extended trips, chaperones must remain in their hotel room with their assigned students at all times. Chaperones may not leave students unattended in the room.

The assignment of volunteer parent drivers and student passengers is at the discretion of the teacher, and parents may not make specific requests for a driver for their child or passengers in their vehicle. Driver information must be updated annually.

Each trip is academic in purpose, and we encourage all students to participate. If your child does not attend, no arrangements for your child are available at the school; you must make arrangements to keep your child home. An alternative assignment may be required by nonparticipants of extended field trips. Financing for some extended trips is available through the company sponsoring the trip. Information on this option is available at the meetings for the trip or in the office. **School accounts must be current to attend all field trips including extended field trips.**

Off-Campus Behavior

Student behavior is a direct reflection of Vista Christian School; therefore, students will be judged by their conduct at all times, both on and off campus. The school reserves the right to discipline a student for any conduct that reflects adversely on the principle and mission of VCS. The principal is the final arbiter of all decisions.

Homework

Homework at VCS is a parent/child activity. Daily/Weekly homework assignments are sent home and may include work left incomplete during the regular class day. Homework is divided into two areas:

- Parent-directed activities: practice and review in assigned areas
- Parent-supervised activities: reading assignments, worksheets, reports, and projects

Student planners are issued to each child from 4th – 8th grade for use in managing their homework and projects. The students are responsible to use their planners each week by noting their assignments and project dates. Parents are expected to review and sign the planners as a tool to help the student succeed.

Immunizations

Under California law (SB 277, eff. 1/1/2016), exemptions based on personal beliefs are no longer an option for the vaccines currently required for entry into child care or school in California.

For more information about SB 277, please see the Frequently Asked Questions available at: <http://www.shotsforschool.org/laws/sb277faq/>.

Also, under Senate Bills (SB) 276 and SB 714 (Pan, 2019), all new medical exemptions for school and child care entry must be issued through CAIR-ME beginning January 1, 2021. Medical exemptions can only be issued by MDs or DOs licensed in California and must meet applicable

Centers for Disease Control and Prevention (CDC), [Advisory Committee on Immunization Practices \(ACIP\)](#), and American Academy of Pediatrics (AAP) criteria.

Starting January 1, 2021:

- Medical exemptions can only be issued through the California Immunization Registry – Medical Exemption website ([CAIR-ME](#)) by physicians licensed in California.
- Schools and childcare facilities may only accept from parents new medical exemptions that are issued using CAIR-ME.

A medical exemption filed at a pre-kindergarten facility or school remains valid until the earliest of:

- When the child enrolls in the next grade span (TK/K-6th grade, 7th-12th grade)
- The expiration date specified in a temporary medical exemption
- [Revocation of the exemption](#) because the issuing physician has been subject to disciplinary action from the physician’s licensing entity.

Library Policy

The library will be available Monday through Friday, and the hours of operation will be published and distributed in the first week of school. Access to the library is only during posted hours and when available staff is present. A permission slip must be signed by the students prior to checking out any books. Damage fees for books will be assessed and may disrupt the student’s ability to participate in the program. Report cards may be withheld from parents for non-payment of fees for late or lost books. The replacement cost for lost or damaged books will be charged to the parent’s account.

The library supports the academic curriculum with books, DVD’s, and computers equipped with internet access and online research subscriptions. Books may be checked out for up to two weeks. Students with overdue books or outstanding fines may not check out any more materials until they have cleared their accounts. All books must be returned and fines paid by the end of each semester.

Lost and Found

The best way to ensure your child’s belongings are returned is to put their name on items of clothing, lunch pails, etc. If your child finds something on the school grounds which does not belong to him or her, the item should be turned in at the “lost and found” area. All unclaimed belongings without names are regularly disposed of, and the clothing is given to various shelters or agencies.

Lunches and Snacks

Proper nutrition and dietary habits are essential for a child’s growth and learning. For this reason, we request no candy or soda be included with snacks or lunch. The students will have time for a light snack as well as a regular lunch period. Lunch supervisors will not monitor the amount of food eaten but will request students take home all remaining food. We cannot force the children to eat. All students will sit at the lunch tables for the first 15 minutes of the lunch period before anyone is dismissed to the playground. In the event a student does not have lunch, an “emergency lunch” will be provided at a nominal fee. This fee will be billed to the family account. Parents are encouraged to purchase snack or milk cards in advance for the children in the younger grades to help alleviate the loss or sharing of money.

Lunch Time Behavior

1. Use quiet, normal conversation
2. Walk at all times
3. Remain seated until excused

4. Use good table manners
5. Leave individual eating areas neat and clean
6. Touch and handle your own food
7. No sharing or trading food
8. Respect and obey EC staff

Medications

Vista Christian School does not employ a nurse on campus. If prescription medication is necessary, we encourage parents to schedule times the medication should be administered during the hours when their child is at home. If the child is required to take the medication while at school, please send in the original container with the label. The school must have the prescription bottle on campus. Most pharmacies will “divide” the prescription into two bottles if requested. You must also come to the office and fill out a **Medication Release Form** before medications will be given to any student for any reason. Children will need to come to the office independently for their prescription medication. Once the medication prescription has been dispensed, or the time limit of dispensing has passed, we cannot dispense any further. Any change in medication requires a new medication release form to be completed. **VCS does not dispense any over-the-counter non-prescription medication (i.e.: cough drops, Tylenol, etc.) without the consent of a parent or guardian.** Parents are encouraged to come to school to administer any prescription or non-prescription medication.

VCS cannot assume responsibility for administering medication to students. We will do our best to give medications at the appropriate time. Your child needs to be instructed to come to the school office at those times. Under no circumstances may any student keep medication (including cough drops) on his/her person. The only exception to this is for children with prescriptions for EpiPens or inhalers.

Please note that if your child is diagnosed with ADHD or other spectrum disorders, we will need to have a doctor’s referral in order to administer the medication.

Non-Smoking/Positive Language Environment

Vista Christian School is a smoke-free/positive language environment. This includes our campus and all school activities off campus. Students, parents, and volunteers are to refrain from smoking or using coarse or vulgar words or gestures while on campus or in the presence of students during field trips or other off-campus events.

Cursing and Using Vulgar Language or Gestures

Cursing and using vulgar language, slurs, or gestures includes remarks intended to demean a person’s race, religion, sex, national origin, handicapping condition, or intellectual ability.

Directed Profanity and Vulgarity

A student who uses profanity, vulgar gestures, and/or vulgar comments directed to a staff member, student, or adult will be dealt with in the following manner:

Grades K-5 Consequences

- 1st Offense – Warning with written notice to parents
- 2nd Offense – Up to 1-day suspension
- 3rd Offense – Up to 3-day suspension

Grades 6-8 Consequences

- 1st Offense – Warning with written notice to parents

2nd Offense – Up to 3-day suspension

3rd Offense – Up to 5-day suspension

Parent/Teacher Conferences

Evaluation is an ongoing process by teachers at VCS. In line with our philosophy, it is essential for parents to be closely involved with the evaluation process through regular conferences and discussions with their child's teacher as well as their child. We schedule 15-minute Parent/Teacher Conferences twice a year. They will be scheduled after progress reports during the 1st and 3rd quarters. We strongly recommend both parents attend these conferences. Additional appointments may be made by contacting your child's teacher through the school office. Please come prepared with any questions or concerns you may have. Siblings and/or students not enrolled at VCS should not attend VCS conferences as there will be no available child care.

Parent Interaction with Students on VCS Campus

No parent or other unauthorized person is to speak to or touch students on the playground or campus in an attempt to correct behavior with the exception of their own child. No parent or unauthorized person is to discipline or communicate discipline to any student on the playground unless referring to their own child. All issues of concern in regard to student discipline are to be brought to the attention of the VCS staff. Failure to comply with this mandate may be grounds for the parent to be exempt from coming on campus or chaperoning field trips.

Physical Education

The students are involved in weekly sports with an emphasis on motor skills, physical conditioning, group games, and co-ed activities. Shoes for PE need to fit properly, be appropriate for running (i.e. no Vans, Converse, skate-type shoes), and be properly laced when in use. Failure to use proper shoes may cause injury to the student and their feet. Failure to follow these rules may result in a phone call, and the student may miss class which may affect their grade. Sixth through eighth grade will be required to change into their required PE clothes for class.

Playground Guidelines

Playground usage is exclusively for the students of VCS during school operational hours. For safety and liability reasons, non-students, including siblings, may not play on the playground. This includes Parent/Teacher conference times.

Goals and Objectives

The goal and objective of Vista Christian School is to maintain a safe and Christian environment for the students when they are on the playground. The role of EC Leaders is to monitor student behavior, assist with situations that may arise on the playground, and hold the students accountable to abide by the rules of Vista Christian School.

Procedures

Restroom usage

Each student is to ask an EC Leader for permission to use the bathroom and/or get a drink from the water fountain located by the restrooms. Students who need to go to the restroom will be instructed to get a pass before entering the hallway. Each student is responsible for returning their pass to the hallway table. No playing or congregating in the restroom is permitted. Playing in the restrooms includes but is not limited to: filling sinks with water, excessive use of soap, throwing wet towels on property, locking unattended stall doors, climbing on any bathroom fixture, or

flushing inappropriate items down the toilet.

Playground equipment

Each student is responsible for returning the playground equipment that he/she uses to its proper location. Each student is expected to handle all playground equipment with care and proper intent. For example, do not kick a handball, use a jump rope as a lasso or skip rope, throw hula hoops or use it as a lasso, or purposely hit a handball over buildings, etc.

Snack Bar/Lunch Bar

The snack bar is open for the first 7 minutes of each break. This is to allow students enough time to finish their snacks before the bell rings. Exceptions will be given to students who come down late from class but not to those who decide to play first. The lunch bar is open at the beginning of every lunch period.

Library Use While on Playground

Librarian schedule permitting, students may access the library after requesting permission from Extended Care staff.

All injuries should be followed by an "Injury Report" which is to be put in the student's teacher box for parental signature and then returned to the EC Supervisor. All head injuries, no matter how minor, will result in a courtesy call home from a VCS staff member.

Specific Game Rules (School Rules)

Four Square

The Objective

The person who is in square D (lowest square) works their way into square A (highest square) by eliminating players in higher squares.

Game Play

- Square A is the server position; the ball may only bounce once behind the serving line.
- Outs/faults must be taken.
- Better serve can only be requested once if a serve was too high, too low, too fast, or not playable.

Outs/Faults

- Stepping over the line while serving (this is for the start of the game only)
- Hitting a ball out of bounds
- Hitting a line with the ball
- Not returning a hit made to your square
- Using an overhand throw or fist to hit the ball
- Letting the ball bounce more than once in your square

Handball

Game Play

- The server starts by bouncing the ball on the ground and hitting it at the wall.
- The ball must bounce back.
- The other player(s) must hit the ball back against the wall.
- The game continues until someone gets out.
- Once someone is out, they must go back to the end of the line, and the next person enters the game.

Outs/Faults

- Server serving the ball twice incorrectly (the start of the game)
- Missing a hit or catching the ball within the solid lines (K & 1st graders are allowed to catch the ball within the solid lines)
- Hitting the ball out of bounds:
 - Over the wall
 - Ball bounces off the pole (right side of the wall) going out of the handball court
- Not properly returning the ball (e.g. low riders, backstops, walk-ups)
- Body blocks are an out on the person who hit the ball

Redo

- An object that goes into the court (called a Court Hinder)
- Ball hitting the curb **as it bounces back** or hitting the left side of the wall

Football

Football is limited to catch and throw only. Students are welcome to bring their own football, but they must be mindful that it's gone if it goes over the fence.

Basketball

Students may not hurl/throw the basketball across the court unless they are on the basketball team and involved in a regulation game. Extended Care Staff, Teachers, or Maintenance only may adjust the height of the hoops. Students may not stand on the base of the hoops.

Games Created by Students

Students who want to make up their own games must submit game rules to the School Principal for approval.

Tag

Tag is defined as two or more players attempting to "tag" other players by touching them with their hands. Due to the small size of the playground, a game of tag is limited to 7 players. Depending on the number of classes out at one time, the number of players can be adjusted accordingly.

Dodgeball

Dodgeball is not allowed at recess. Limited play of the game will only be under supervision during PE or summer day camp.

Administration reserves the right to restrict or vary the games/activities allowed at any time on the playground based on sportsmanship, # of students on the playground, etc.

Progress Reports

Progress reports will go home at mid-quarter to communicate to the parent the strengths and weaknesses in each subject area. This is to give time and attention to the grades that may need to be raised before report cards are finalized.

Report Cards

Report cards are issued at the end of each quarter. Scholastic achievements, work habits, and citizenship will be included in the evaluation. Grades are weighted for the type of work, and the weighting scale is available from the teacher. The grading scale is: A+(98-100) A(93-97) A-(90-92) B+(87-89) B(84-86) B-(80-83) C+(77-79) C(74-76) C-(70-73) D+(67-69) D(64-66) D-(60-63) F(0-59)

Retention Policy (K-7th)

In order for a student to be considered for the next grade, a level of proficiency should be attained. Therefore, any student who has an unsatisfactory grade, below 70% ("D" or "U") or lower for 1st semester in any two subjects listed below, or below a 2.0 GPA, will be placed on academic probation. A student must receive at least a C- (70-73%) in Math, English/Language/Phonics, and Reading/Reading Comprehension, and receive a passing grade of a D+ (67%) or higher in **all** other core classes for the second semester in order to be promoted to the next grade level. See Academic Probation Policy on page 15.

Any of the following major subject areas apply for retention:

English/Language/Phonics	Bible
Math	Reading
History	Spelling
Science	

Students may not be promoted if they show a lack of responsibility in homework, projects, and other assignments, or a lack of maturity needed for the next grade level. Possible retention will be discussed at the end of 1st semester, with progress meetings throughout the remaining semester.

8th Grade Promotion and End-of-the-Year Activities

In an effort to help middle school students be more successful in high school, to help them develop and maintain good study habits and focus, and to provide a more structured transition from middle school to high school, the criteria for promotion and end-of-the-year activities are listed below and **must be met by 4th quarter progress reporting AND MAINTAINED THROUGHOUT THE REMAINDER OF GRADING PERIOD:**

- Pass English and Math each semester with a grade of 70% or higher
- Pass all other core classes each semester with a grade of 70% or higher
- All core classes must have a 2.0 grade or higher each semester
- Satisfy school requirements for citizenship, school fines, fees, detentions, lost textbooks, discipline, etc.

In addition, students in 8th grade will be retained if they fail (below 70%) both English and Math in the 2nd semester. Parents are responsible for checking Gradelink to monitor their student's progress. Students who fail, or are in danger of failing either English or Math, **must** participate in after-school tutoring as a means of intervention in order to be considered for promotion. After-school tutoring is not included in regular tuition fees but is a necessary means of intervention.

Participation in the end-of-the-year activities (i.e. Graduation ceremony, 8th-grade Class Trip, and 8th-grade graduation celebration) is dependent upon meeting all four requirements listed above.

School Hours

The school hours for elementary students (Kindergarten - 5th grade) are **8:20 am – 3:00 pm**. School hours for middle school students (6th grade – 8th grade) are **8:15 am – 3:05 pm**. Parents should notify the teacher with a signed note or by calling the school office prior to a student leaving campus for a necessary appointment during school hours. Parents must then sign out their students in the school office before leaving campus. If a student leaves campus for lunch with their parents and is tardy returning, the student will receive a zero on any missed work. Faculty and staff members may take students off campus with parental permission.

Summer School or Day Camp

The general behavioral guidelines of the handbook are applicable to the Summer Programs associated with VCS.

Volunteers

The goal of VCS is that parents be greatly involved with their child's education and spiritual development. To better fulfill this goal, we see a strong need for parental participation in their student's classrooms. Parents will be given the opportunity to sign up to assist in their child's classroom as well as other campus activities. In some circumstances, the child's classroom is not the best place for the parent to help. In this case, and at the discretion of the school administration, the parent may be directed to aid in a classroom that is not their child's.

The purpose of this participation is to increase parental awareness and involvement. An added benefit is a smaller adult/student ratio in the classroom, which enriches each child's education. For those parents who desire to volunteer more than one hour per week, a special orientation may be required. All volunteers will need to fill out a volunteer form.

To maintain school security, each visitor or volunteer must sign in and out at the church office to obtain a visitor tag before entering the school, and then proceed to the school office to sign in.

No visitors to campus may go directly to the classrooms or playground **without stopping in the school office first.**
