

# THE FRIDAY EXTRA

## 2/22/19

Happy Grandparents Day to all of our VCS grandparents! Whether you were able to join us for our celebration today or not, we want you to know you are loved and appreciated. Our children can learn so much from you, and we are blessed to have you in our lives. As Mrs. Flores mentioned in chapel this morning, continue to pour into your grandchildren and their parents. Bless your grandchildren with your wisdom and giftings. Pass your mantel on to this generation! They are waiting for you to lead them in discovering who they are and what God has planned for them. They are the future of our world. Continue to pray for them and pour into them.

According to the meter on our sports water bottle filling station, we have already saved 459 plastic bottles from going into landfills and/or the ocean. Keep up the great work, students!
